

## EPRI TIP Subscription Service

### *Your Challenge*

*Access the products and services you need to thrive in today's dynamic energy industry.*

### *Your Strategy*

*Enroll in EPRI's TIP Subscription email service.*

The TIP and EPRI Cockpits Update emails have merged to provide EPRI members with a single TIP Subscription source for receiving customized email announcements. The new TIP Subscription service allows you to receive more information from EPRI. If you were previously only receiving *TIP - Electronic Product Delivery*, you will continue to receive the new email every week with product announcements for your chosen programs of interest. You'll also have the option to choose to receive all program cockpit updates with links to the latest EPRI developments including upcoming seminars, workshops, and training. New product announcements that are included in your company's membership agreement will display with a Download Product link and you'll have the opportunity to select daily, weekly, or biweekly emails. Emails will continue to originate from the [tip@epri.com](mailto:tip@epri.com) mailbox. The TIP profile page has moved to the [Program Cockpit Index Page](#) and the TIP Online function is no longer active.

### *How to Subscribe*

The TIP Subscription service allows you to select EPRI program cockpits of special interest. Subscribe to receive new product announcements, alerts to new content in cockpits and more. Make your subscription selections on the [Program Cockpit Index Page](#). You may choose from the two pulldown menus whether to receive all program cockpit updates or only new product announcements; and be able to choose daily, weekly, or biweekly emails. If you no longer want to receive the TIP Subscription emails, you may Unsubscribe All and remove all subscriptions.

### *You Subscribe, TIP Delivers*

Once subscribed, you will receive emails with cockpit updates daily, weekly, or bi-weekly from your selected program(s). There's no easier way to stay on top of the developments in your programs of interest. Other individuals in your organization can also tailor emails of professional interest to them.

While anyone is eligible to receive public and promotional publications and view product abstracts, products and announcements that are included in your company's membership agreement display with a Download Product link. The link will first take you to the Member Center login screen. Once logged in, the download process will begin. Please note that you must be logged-in to EPRI.com in order to subscribe to TIP and take advantage of most TIP Subscription email links to content or to download and order products. If you need an EPRI.com account, you can request one at [Create Account](#).

### *Privacy Policy*

EPRI will not sell, rent or lease your subscription information to third parties. For more information please read EPRI's Privacy Statement: [Privacy](#)

### *Questions*

If you have questions about EPRI's TIP Subscription service, send an email to [tip@epri.com](mailto:tip@epri.com) or contact the EPRI Customer Assistance Center (800) 313-3774 ([askepri@epri.com](mailto:askepri@epri.com)).
